WHERE IT SITS

Terrace 8 on the site

Marketing plan · not a construction drawing · north to the right

One of three terraces facing Snell Street across a planted entry, with a west-north-west balcony.

Every home has one car space off the Snell Street driveway, under planted timber pergolas, and shares the communal garden with its paved circle, lawn and sandpit.

Site: Lots 17–18 on D13362, 939.9 m², corner of Royal and Snell Streets with Brown Lane behind. Car space allocation to be confirmed.

Availability

Nine homes: five on Royal Street, three on Snell Street and a one-bedroom courtyard home off Brown Lane. Terrace 8 is highlighted.

Every home includes one car space, rooftop solar and the Sage interior.

Availability at 10 November 2026. Availability may change without notice. Prices on request.

The nine homes

6 ROYAL STREET · TERRACE 8 · ONGOING COSTS

Estimated ongoing costs

ESTIMATED · NOT SET

Council rates, water and body corporate levies for Terrace 8, per year. These are estimates only: none of these amounts has been set yet.

ESTIMATED TOTAL PER YEAR

$5,680 – $7,380

about $109 – $142 a week

Estimates prepared 20 October 2026. Not set, not a quote and not part of the contract.

6 ROYAL STREET · TOOWOOMBA CITY · ESTIMATES ONLY, NOT SET

What Terrace 8 may cost each year

Council rates ESTIMATE	**$2,640 – $3,070**
General rate · City Urban minimum $1,444 (2026-27); low is after the 5% pay-on-time discount	$1,370 – $1,440
Sewerage charge · Estimate. Charged per toilet with some residential exceptions; confirm with Council	$700 – $1,000
Waste collection · $327.42 (2026-27). The scheme uses shared bins, which may be charged differently	$330
Waste facilities levy · $82 (2026-27)	$80
Public transport levy · $43.58 (2026-27)	$40
State Emergency Management Levy · Estimate. State levy collected on the rates notice	$120 – $170
Water ESTIMATE	**$1,140 – $1,390**
Water infrastructure charge · $423.05 per half-year (2026-27, 20 mm); low is after the 5% discount	$800 – $850
Water usage · 100–160 kL a year at $3.39/kL (tier 1)	$340 – $540
Body corporate levies ESTIMATE	**$1,890 – $2,920**
This home's share of a draft scheme budget of $16,950 – $26,150 a year: insurance, management, gardens, common power and water, bin store, accounts and a sinking fund. Insurance and the sinking fund are shared by home size, the rest equally, until the Community Management Statement sets each lot's share.	
Estimated total per year	**$5,680 – $7,380**

Estimated, not set. Each amount is a low–high range. Council and water figures use Toowoomba Regional Council's 2026-27 charges where Council publishes them (low end assumes the 5% pay-on-time discount) and will change each year; sewerage and the Emergency Management Levy are estimates. Water assumes each terrace has its own meter. Body corporate levies will be set out in the disclosure statement given with the contract. Not included: electricity and gas, internet, contents and landlord insurance, land tax and any future special levy. Get your own advice.

Comfortable all year, with less heating and cooling

7.8★

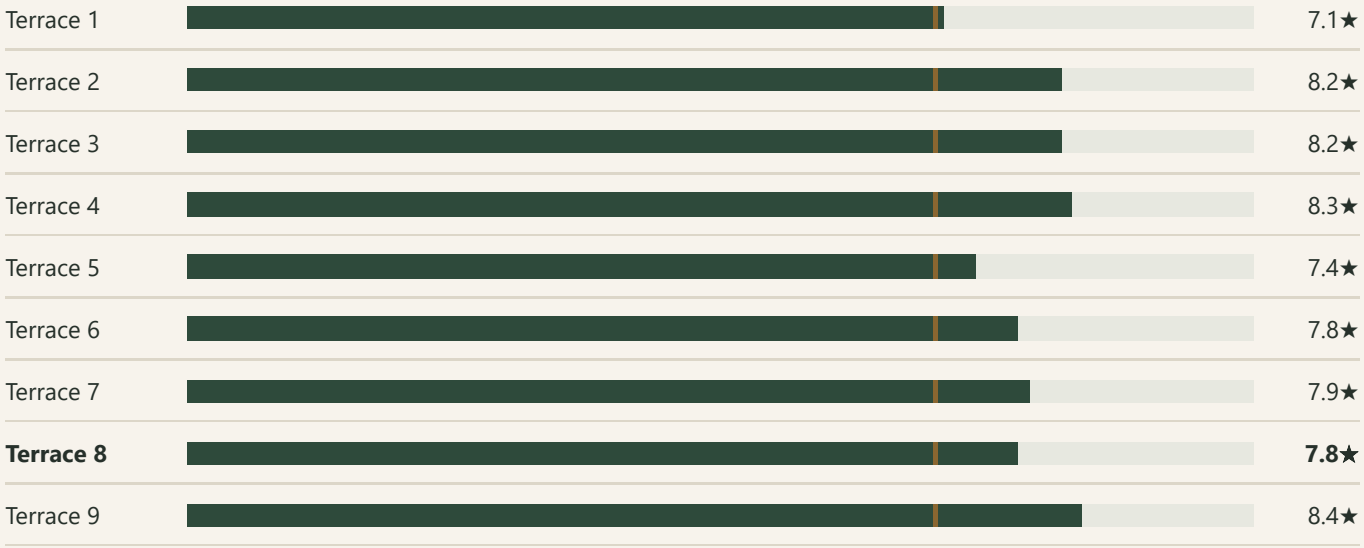

Terrace 8's NatHERS rating, out of 10 stars.

The nine homes have a 7.9 star average energy rating under NatHERS, the national energy rating scheme for homes, and every home is rated above 7 stars (7.1 to 8.4). The more stars, the less heating and cooling a home needs to stay comfortable, and the lower the power bills. Seven stars is the current standard for a new home in Queensland.

Ratings are from NatHERS modelling by an accredited energy assessor using the specification shown. Final certificates are issued with building approval. Solar power is not part of the star rating. The specification may change, but only to equal or better energy performance.

EVERY HOME

7.9 star average, from 7.1 to 8.4

Insulated roof and ceilings

R5.0 bulk insulation in the upper ceilings, with an R1.3 insulating blanket under the roof sheets.

Insulated walls

R2.7 insulation to all external walls, plus insulated, fire-rated lightweight walls between homes for quiet and privacy.

Performance glazing

Aluminium-framed windows and doors with EnergyTec® glass, which cuts heat gain in summer and heat loss in winter.

Concrete upper floors

A 35 mm fibre-reinforced concrete floor upstairs, which holds warmth and keeps sound down between levels.

Ceiling fans

1200 mm ceiling fans in the living areas and bedrooms, for cooling with little power.

Air conditioning

Reverse-cycle split system air conditioning, with one outdoor unit serving three areas of the home.

Good orientation

The Royal Street homes face north, so their balconies and living areas get winter sun.

Rooftop solar on every home

Each home has its own rooftop solar power system, to cut power bills.

6 ROYAL STREET · TERRACE 8 · INTERIOR

Sage

Soft green, brushed brass, warm whites

One designer interior for every home: soft sage joinery and panelling, warm whites, oak-look herringbone floors and brushed brass.

The full colour schedule and inclusions list are being finalised with the builder and will be issued separately.

    Balcony

Samples are indicative only of final colour and finish.
Natural variations may occur between batches. Please refer to display samples at our showroom for final selection.

6 ROYAL STREET · TERRACE 8 · NEXT STEPS

Securing your terrace

When you're ready to go ahead, we'll need three things from you.

1

Identification

Photo ID for every purchaser: a current driver's licence or passport.

2

Deposit

A deposit of 10% of the purchase price. A 5% deposit may be available, considered case by case.

3

Finance

A letter from your lender or broker showing your finance position: a pre-approval or a borrowing capacity letter is fine.

Before signing, you'll review the floor plans and inclusions schedule that form part of the contract of sale. You'll receive a copy of the documented building plans when they're ready. Deposit and settlement terms are as set out in the contract of sale. This page is a guide, not an offer or a contract.

Options and plaque-name form

1. Terrace

Terrace 8 · Snell Street

Terrace number and street

2. Optional items shown in the renders (quoted separately; tick to request a quote)

- ☐ Outdoor kitchen / BBQ, balcony
- ☐ Other: _____

3. Name your terrace (parapet plaque; optional)

Give up to three names in order of preference. Names are subject to the developer's approval under the contract, and must be unique within 6 Royal Street. If no name is chosen or approved by the date in the contract, the developer will name the terrace.

1. _____
2. _____
3. _____

6. Documents received (office use)

- ☐ Photo ID, every purchaser
- ☐ Deposit 10% ☐ Deposit 5% (approved case by case)
- ☐ Finance letter: pre-approval or borrowing capacity

4. Purchaser

Full name	Full name (second purchaser)
Signature	Signature
Date	Date

5. Approvals (office use)

Developer: name	Signature	Date
Interior designer: name	Signature	Date
Builder: name	Signature	Date

☐ Plaque name approved: _____

Every home has the Sage interior; the full colour schedule and inclusions list are issued separately. Selections close on the date set in the contract; later changes may require a variation and cost. Finishes are approved from physical samples. The contract of sale, with its floor plans and inclusions schedule, takes precedence over renders, marketing plans and this form.

Important notices

- **Images are renders.** Every image of the development in this pack is a computer-generated artist's impression and is indicative only. Furniture, decor, artwork, landscaping maturity, and some finishes and fittings shown may not be supplied.
- **The contract of sale takes precedence.** The floor plans and site plan in this pack are marketing plans, not construction drawings. The floor plans and inclusions schedule attached to the contract of sale take precedence over anything in this pack. Buyers receive a copy of the documented building plans when they are ready.
- **Proposed internal layout.** Terraces 1–8 show proposed internal amendments to the council-approved layout (PDA/2026/4242), subject to design documentation and building approval. Terrace 9 follows the approved layout.
- **Facades are not selectable.** External colours and materials are as approved by Toowoomba Regional Council (condition 68).
- **Figures are approximate.** Areas are taken from the approved plans and rounded, subject to final survey. The homes have a 7.9 star average energy rating (average of the nine homes, 7.1 to 8.4 stars); ratings are from NatHERS modelling by an accredited assessor, with final certificates issued at building approval.
- **Ongoing costs** in this pack are estimates only and have not been set. Council, water and body corporate charges are set by Council, the State and the body corporate, and the disclosure statement given with the contract governs the body corporate levies.
- **Prices and availability** may change without notice. Car space allocation is to be confirmed.
- **Terrace names.** Terraces are referred to by number. A purchaser may propose a name for their parapet plaque, subject to the developer's approval under the contract.
- This pack is a information pack for review. It is not an offer or a contract.
